

## PANERIS Final Conference Program

Friday, April 17th	
9:00 – 9:30	<b>Welcome and registration</b>
9:30 – 9:40	Opening remarks
9:40 – 10:10	“Understanding the link between brain injury and neurodegenerative diseases” Carlos Fitzsimons ( <i>University of Amsterdam, Netherlands</i> )
10:10 – 10:40	“Neurodevelopmental disorders: from genes to mechanisms” Michaela Fencková ( <i>University of South Bohemia, Czechia</i> )
10:40 – 11:10	“Characterizing and understanding cognitive-motor interference in neurodegenerative diseases with mobile brain imaging during complex walking: findings from the uMOVE lab” Alexander Kvist, Andreas Wallin ( <i>Karolinska Institute, Sweden</i> )
<b>11:10 – 11:30</b>	<b>Coffee break</b>
11:30 – 12:00	“Spatial Gene Expression Patterns of Antipsychotic Response” Jan Rodriguez Parkitna ( <i>IP PAS, Poland</i> )
12:00 – 12:30	“Cross-talk between adenosine and cannabinoids” Ana Maria Ferreira de Sousa Sebastião ( <i>University of Lisbon, Portugal</i> )
12:30 – 13:00	“Nature-inspired compounds for mental health and beyond” Laura Korsakova ( <i>Psylink, Lithuania</i> )
<b>13:00 – 14:00</b>	<b>Lunch</b>
14:00 – 14:30	“When the whole is greater than the sum of its parts: the role of simultaneous modulation of histamine H3 and sigma-1 receptors in the treatment of neuropathic pain” Katarzyna Szczepańska ( <i>IP PAS, Poland</i> )
14:30 – 15:00	“From science to market: building the translational bridge” Agnė Vaitkevičienė ( <i>Avaitis, Lithuania</i> )
15:00 – 15:30	“Enhancement of Neurobehavioral Recovery After Traumatic Brain Injury in Sigma-1 Receptor Knockout Mice” Liga Zvejniece ( <i>Latvian Institute of Organic Synthesis, Latvia</i> )
<b>15:30 – 16:15</b>	<b>Coffee break   Poster session</b>
16:15 – 19:00	Networking event ( <i>Universiteto str. 3</i> )
<b>19:00</b>	<b>Networking dinner</b>

Saturday, April 18th	
9:00 – 9:30	“Advancing Translational Neuroscience in the Western Balkans: Experiences and Expertise from the Institute for Medical Research” Milica Zekovic ( <i>Institut za Medicinska Istra Ivanja, Serbia</i> )
9:30 – 10:00	“OPORA Health - Responsible AI Infrastructure” Daria Volkova ( <i>OPORA Health, United Kingdom</i> )
10:00 – 10:30	“Opportunities for Training and Education in Neuroscience under the FENS Umbrella” Michaela Fencková ( <i>University of South Bohemia, Czechia</i> )
<b>10:30 – 11:00</b>	<b>Coffee break</b>
11:00 – 11:30	“I was wrong about PANERIS” Jan Rodriguez Parkitna ( <i>IP PAS, Poland</i> )
11:30 – 13:30	Sustainability and Future Perspectives: An Open Discussion from PANERIS to BrainFrame
<b>13:30 – 14:30</b>	<b>Lunch</b>
14:30	Networking event in Trakai
